Single Family on 0.00 Acres

Hillview, Edmonton, AB

Calling all dreamers, visionaries, and investors! This 4-bedroom, 3-bathroom home sits on a spacious CORNER LOT in the well developed Millwoods area, under 5 paved minutes from Hillview Park & School, Greenview Elementary school, Kate Chegwin Middle school and Millbourne/Woodvale train stop. With RS zoning, a basement entrance, 3 beds, 2 baths above, and endless potential below, it's a rare opportunity to create something truly special. The home did sustain damage after being frozen over the winter (see photos) and will require significant restoration but it also offers the chance to start fresh and build your dream home in this wonderful community. A two-door detached garage and room for a potential carport add even more value to the lot. If you're ready for a rewarding project with incredible upside, this could be the opportunity you've been waiting for! Disclosure: Property is damaged. Being sold as-is, where-is, with no representations or warranties. Contents in garage are included in the sale.
