Cliff Bungalow, Calgary, Alberta

Exceptional investment opportunity in Calgary's vibrant Cliff Bungalow/Mission community. This well-maintained 5-unit property is situated on a 37.5' x 120' lot on a quiet, tree-lined street just steps from 4th Street and 17th Avenue, surrounded by top restaurants, boutique shopping, and major transit options.

The building includes four 1-bedroom units and one 2-bedroom unit, all featuring in-suite washer/dryers. Three suites were recently leased with June 1st start dates, and all five are fully tenanted with leases in place. Current annual rental income is \$95,340, reflecting an estimated 8% cap rate.

Interior updates include modernized bathrooms in three of the units and tasteful finishes throughout. Three suites are furnished, offering flexibility for both long- and short-term rental strategies. The property also features off-street parking for four vehicles and a storage shed.

This is a highly desirable lifestyle location—less than one block to Lululemon, Starbucks, boutique fitness studios, yoga, and the MNP Community & Sport Centre, a world-class training facility. The area attracts professionals and active urban dwellers, contributing to strong rental demand and long-term value.

The City of Calgary has confirmed the property as a legal non-conforming 5-unit multi-family dwelling (see supplements). This is a rare opportunity to acquire a cash-flowing asset in one of Calgary's trendiest and most walkable inner-city neighbourhoods.
