Welcome to 79 Arbour Crest Rise NW.

Backing onto a park and bike path, this home has the location box checked and everything else that comes with it. With nearly 2,000 sq ft of total living space, this three-level home in Arbour Lake gives you room to breathe. Upstairs you'll find three bedrooms, including a roomy primary with a full ensuite. On the main floor, the open layout flows from a bright living room with gas fireplace into a functional kitchen and dining area that opens to the backyard. No neighbours behind you—just green space and sunshine. The finished basement gives you even more space to work with: a big recreation room, bar area, and full bathroom. You've also got an attached double garage, main-floor laundry, central vacuum, and a security system (Vivint by Telus). The home's tucked into a quiet street but just minutes from schools, the Crowfoot LRT, shopping, and of course, lake access—a huge perk of living in Calgary's only NW lake community. Solid house. Great location. Even better value. For more information, pictures and floor plans, click the links below.
