Residential on 0.07 Acres

Auburn Bay, Calgary, Alberta

If you've been hunting for something different, this might just be "The One." Welcome to one of only eight semi-detached homes in Auburn Bay with a double attached garage and yes, it feels like a fully detached home inside.

The main floor brings all the good energy: an open floor plan, tons of natural light, a gas fireplace for cozy nights, and a dream kitchen with quartz countertops, soft-close everything, built-in microwave, and a massive centre island that doubles as a snack command centre. The living room is bright, welcoming, and perfectly positioned for conversation or curling up by the fire – it's the kind of space that makes you want to stay a while. You'll love the walk-through pantry that leads straight to a super functional mudroom with a built-in bench and tons of storage (because life is messy and this home gets that).

Upstairs: a spacious central bonus room, two bedrooms tucked away for privacy, a full bath, and upstairs laundry (no tripping on stairs hauling laundry baskets up and down). The primary retreat? Total main character energy – with a spa-like ensuite, soaker tub, and dream walk-in closet.

Downstairs is fully finished with a huge family room, another full bath, a massive bedroom, and four separate storage areas (yes, FOUR – your holiday decor and Costco haul just

high-fived).

Outside? Low-maintenance perfection: over \$50K in landscaping with artificial turf, patio, and deck. Plus solar panels and central A/C so you can chill (literally) and save cash.

Tucked near the off-leash park (not too near "no howling nights here), and close to schools, shopping, pubs, and more" this one checks all the boxes, and then adds a few bonus ones.

And let's not forget: this is Auburn Bay "one of Calgary's most loved lake communities. Think year-round activities, community events, amazing playgrounds, and a true family-friendly vibe. Whether you're paddle boarding in the summer, skating in the winter, or grabbing coffee after school drop-off, life here just feels good.
