Residential on 0.21 Acres

Upper Mount Royal, Calgary, Alberta

This lovely one and one half storey home of almost 2700 s.f. was totally gutted and renovated in 1985 from the exterior studs in, by this Seller. Located on an incredible 9,321 sq. ft. flat lot with an environmental reserve behind it, creates privacy to view the beautiful sunrises. Make a modest investment to update some elements to today's fashion and popular materials. Currently the home has 4 bedrooms and 3 full baths and laundry above grade. Lower level has a recreation room, and 3 additional rooms that could be bedrooms with proper egress windows in place. Also, there is a bathroom with two separate sinks and vanities, and walk in shower. Unique to this home, a walk up from the lower level to an exterior door to the north side yard. Great access for a Nanny suite. The garage has a charging station for an electric vehicle. A development permit for a 4700+- s.f. new build has been applied for from the City of Calgary. A verbal acceptance has been received, with written acceptance of plans expected within weeks. These are included in asking price, and Builder - Sebo Homes will supply to serious inquiries.
