Don't miss this rare opportunity to own an upgraded 1100 square foot END UNIT, 2 storey town home with 3 bedrooms, 1.5 bathrooms, and full basement, directly siding a pathway and green area, for under \$400,000. Homes like this don't get listed often at this price point, which offers greater affordability AND future resale.

Deer Ridge and Deer Run are stellar south locations, close to Fish Creek Park, minutes to shopping and amenities in the Deer Valley Market Place, Avenida Mall, and Southcentre Mall, with easy access to MacLeod Trail and Deerfoot Trail, as well as lots of additional shopping in Shawnessy, Quarry Park, and McKenzie Towne.

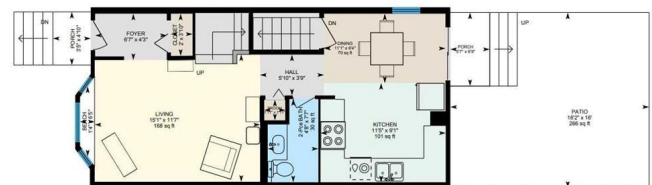

All the Deerfield Terrace properties have stucco and wood exteriors. This one allows you to enjoy a private fenced yard with paving stone surface, to sit out in Calgary's year-round sunny weather. It also comes with an assigned parking stall, and plenty off-street additional visitor parking on the drive.

Inside is a spacious starter home, with brand new beautiful vinyl plank flooring and fresh paint throughout the main and upper floors. Bright natural light transfers from the foyer and front closet, entering the living room with a new bay-window and bench seat (with storage). Following through the open hall, there is a 2-piece bathroom and broom closet leading into the wrapped contemporary white kitchen, dinette area with exterior window and large patio doors.
