This versatile IC-zoned commercial bay offers approx. 3,200 sq ft of highly adaptable space ideal for a wide range of permitted uses, including medical/health services, food franchises, professional offices, and more. Located in a busy, well-established commercial complex with a family physician clinic already operating onsite, this is the perfect location for a pharmacy or complementary medical service provider. The flexible layout offers potential to demise the space into multiple units, allowing for owner-occupancy with rental income or full investment use. Run your own business while leasing out the remainder—or lease entirely for stable, long-term returns.
